

Preparing for your Virtual Consultation

To help you get the most from your video/telephone consultation you might find it helpful to consider the following details ahead of your appointment.

Have a pen handy, to take notes.

Check your internet/Wi-Fi connection/charge.

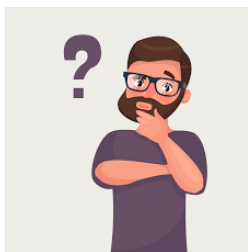

Find somewhere quiet/private.

YOUR PERSONAL DETAILS

We will ask you if any of the following have changed since your last appointment.

- Your address
- Your telephone numbers
- Your email
- Your work
- The name and address of your GP
- The name and address of your dentist

- Have you had any bleeds?
- Have these been spontaneous or related to trauma?
- How did you treat these bleeds?
- Is your Haemtrack up to date?
- Did you have any issues treating your bleeding?
- Did these 'bleeds' cause you to be off school/work.
- Have you changed your activity levels? Any lifestyle changes such as travel, new job, sport/activity, changes to family life or employment?
- Do you need further information on a specific topic related to your Bleeding Disorder

ADDITIONAL INFORMATION

Think about the following:

- What are your main concerns?
- Are there any issues you wish to discuss?
- Have you any other medical problems at present?
- Have you commenced any new medication/herbal remedies/supplements since last review?
- Have you any surgery planned in the near future? Do you have a date yet?
- Have you any dental appointments or procedures scheduled in the near future?
- Can you check if you need a new Bleeding Alert Card.
