Supporting former  
Macfarlane Trust beneficiaries

**Terrence Higgins Trust** is providing a free talking therapies service for former **Macfarlane Trust** beneficiaries. Counselling support includes dealing with the trauma of past events and arising out of the current **Infected Blood Public Inquiry**.

To be eligible, you will be a former Macfarlane Trust beneficiary living with or affected by HIV as a result of Contaminated Blood Products.

To access the service or find out more please call:  
**0808 802 1221**  
or email:  
**macfarlane@tht.org.uk**

We will arrange an assessment with our trauma therapist and discuss your options for accessing initially up to 24 counselling sessions.
